

Elegantly wrapped in black armor, the new Steiner Marine looks as good as it performs! This binocular features a very modest price that's achieved without sacrificing clarity and brightness. A great addition to any boater's gear.

MARINE

MARINE

A marine glass that's built to traditional Steiner Navy-Military styling. A nearly indestructible instrument that's easy to use; from their sharp and incredibly bright optics to the easy-to-grip exterior. BAK-4 prisms, fully multicoated optical surfaces and outstanding light transmission give the 7x50 Marine extraordinarily bright viewing ability in all light conditions (light transmission peaks over 90%).

7 x 50 MARINE

The 7x50 Marine is equipped with Steiner's Sports-Autofocus system everything is in focus from 20 yards to infinity once set for the users eyes. Steiner Marine binoculars are guaranteed waterproof and shockproof to stand up to harsh marine use. In fact, the rubber armoring prevents slipping, even on a wet surface. Included are a web strap, rain and spray guard for the eyepieces and attached objective lens caps.

7 x 50 - Item no. 575
Field of view: 354 feet @ 1000 yards

Weight: 37 oz
